

Welcome to the Webinar!

EuroSun2026

International Conference on Sustainable
and Solar Energy for Buildings and Industry

SolarPACES
Solar Power & Chemical Energy Systems

Integrated program and joint sessions between
EuroSun2026 and SolarPACES 2026

ISES
International
Solar Energy Society

Webinar

Solar District Heating: New Developments and a Proven Success Story

Date & time:

- 15 June 2026, 16:00 - 17:00 CEST (14:00 - 15:00 UTC)
- 17 June 2026, 08:00 - 09:00 CEST (06:00 - 07:00 UTC)

1. Opening presentations:

- ISES / EuroSun
- IEA SHC – Lucio Mesquita
- SolarPACES – Robert Pitz-Paal

2. Technical presentations:

- *Solar District Heating in Practice: From Concepts to Scale* – Magdalena Berberich
- *Solar District Heating for Resilient Cities* – Joakim Byström

3. Q&A session – Bärbel Epp

Q/A Session

- Please type in your questions in the Q&A chatbox and we will try to answer as many questions as possible.
- Feel free to send in your questions any time throughout the webinar.
- **Keep your questions short and precise** and write who your question is directed to, so that the moderator can assign it directly to the corresponding panelist.

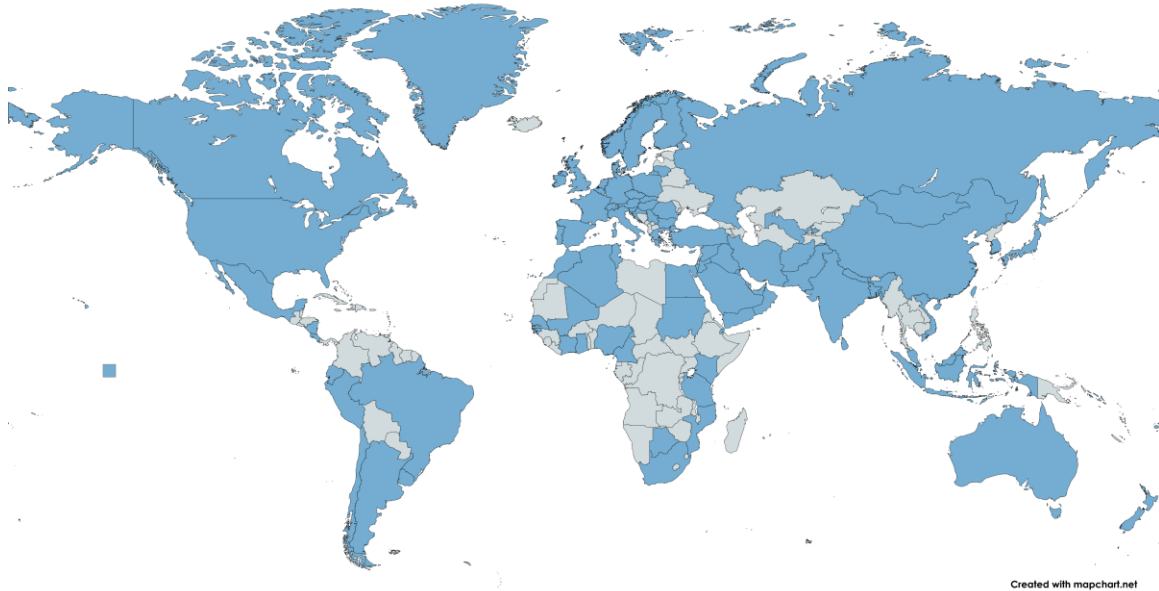

Introduction to ISES and EuroSun2026

Ellen Platz
**Solar District Heating: New Developments and a
Proven Success Story**
June 15 and 17, 2026

Who we are

Individual and Corporate Members
from 110 countries

UN accredited since 1992

100% renewable energy for all, used efficiently and wisely

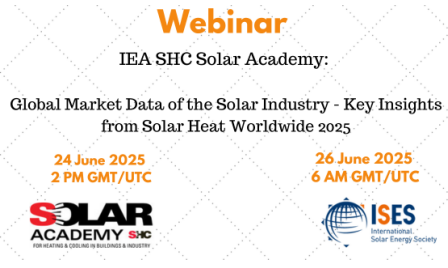

Key Activities

Bi-annual Congresses around the World

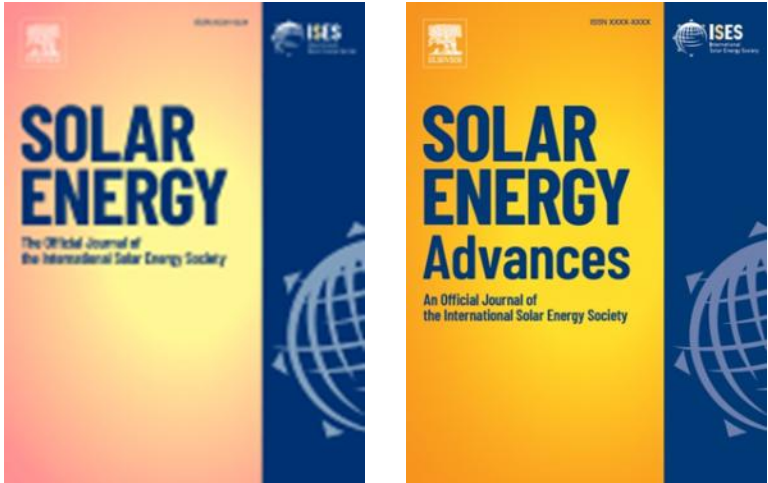

Webinars

Education Initiatives

Key Publications

Solar Energy Museum

EuroSun2026

Celebrating 30 years of international solar excellency

- **1996**: first EuroSun conference in Freiburg, Germany
- Ever since: Bi-annual conference held all over Europe
- Celebrating **70 years of ISES**
- Celebrating **50 years of the IEA SHC Programme**

 **EuroSun2026**
ISES and IEA SHC International
Conference on Sustainable
and Solar Energy for Buildings
and Industry
14 - 18 September 2026
Freiburg, Germany

 eurosunconference.org

Conference of   Scientific Hosts  universität freiburg  

Freiburg im Breisgau – a green and sustainable host city

Registration now open!

Program highlights

- High-level keynote speakers from research, industry, and policy
- Master's Course in Solar Energy
- Technical Tours:
 - *Commercial Systems – Process Heat and Heating Networks*
 - *Fraunhofer ISE*
- Conference collaboration between EuroSun and SolarPACES

**Visit our website to secure your place:
www.eurosunconference.org**

Special rates available for ISES members, students, early-bird registrations, and more!

The poster for EuroSun2026 features a vibrant background of a sunset over a green landscape with a church spire. The text is arranged in a clear hierarchy, starting with the event name and dates, followed by the location and a QR code for more information.
