

## Signing up for ISES Solar Energy Journal alerts

1. Visit the following link:  
<https://www.sciencedirect.com/journal/solar-energy>
2. Under the column Articles & Issues, click on **Sign in to set up alerts**.

3. Insert your Email address. Click on **Continue** to register in case you don't have an account yet.

4. Insert your data and click **Register**.

A screenshot of the Elsevier registration form. The form is titled "ELSEVIER Register" with the subtitle "Create password to register". It contains fields for "Email", "Given name", "Family name", and "Password". Below the password field, there is a note: "Choose a unique password with minimum 8 characters. Include at least 1 number, a mix of lowercase and uppercase letters and 1 symbol to make your password strong." There are three password strength indicators. Below the password field, there is a checkbox labeled "Stay signed in (not recommended for shared devices)". Below the checkbox, there is a paragraph: "Elsevier may send you marketing communications about relevant products and events. You can unsubscribe at any time via your Elsevier account." Below this paragraph, there is a line of text: "By continuing you agree with our [Terms and conditions](#) and [Privacy policy](#)." At the bottom of the form, there is a "Register" button and a link "I already have an account".

5. Select what would you like to follow and click **Save**.

A screenshot of the "Save journal alert" form. The form is titled "Save journal alert" with a close button (X). It contains a "Journal name" field with the value "Solar Energy". Below the journal name, there is a section "What type would you like to follow" with two checkboxes: "Tables of contents" and "Articles in press". Below this section, there is a "Frequency" section with the value "As published". At the bottom right of the form, there is a "Save >" button.
